Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for San Juan County Cancer Screening in fiscal year 2024.

The entity to receive funding for this project is San Juan County Government, located at 117 South Main Monticello, Utah 84535. The funding would be used for for physical examinations and subsequent cancer screenings, if needed, for the greater Monticello, UT community. The project is an appropriate use of taxpayer funds because the federal government's actions from 1941 until the 1960s caused higher rates of cancer in the area. The project has a federal nexus because the funding provided is for purposes authorized Section 2331 of the Food, Agriculture, Conservation, and Trade Act of 1990, 7 U.S. Code section 950aaa.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "John R. Curtis", with a long horizontal line extending to the right.
